

WATERWORKS COUPON BOOKLETS

To allow for greater flexibility WATERWORKS is now offering coupon booklets at \$250.00 for 5 classes each. The coupons may be used for any monthly class through 2016 if there is an opening. To get the most out of the instruction it is strongly recommend that you attend the full monthly session of four consecutive classes as many of the classes build upon one another.

Coupon seats are not guaranteed for any individual class and are non-transferrable. Admittance is on a first come, first serve basis. Please email one week in advance to request your spot. Coupons may not be used for guest artist events or special one or two day workshops.

Coupon books make great gifts! Gift book envelopes can be decorated and customized with the recipients name. Credit cards are accepted.
